Tau Kappa Epsilon

Tau Kappa Epsilon Fraternity was founded on January 10, 1899 at Illinois Wesleyan College. Our founders were focused on building a fraternity whose membership criteria had nothing to do with a person's wealth, his rank on the social ladder, or any honors bestowed upon him. Over 100 years, 300 chapters, and 300,000 members later, it is safe to say that they have succeeded. Tau Kappa Epsilon is now the world's largest and most successful Fraternity, boasting members such as Ronald Reagan, Charles Walgreen, Conrad Hilton, and Terry Bradshaw.

The **TKE Vision** is to create lifelong relationships that enhance educational, interpersonal, community and professional success.

The **TKE Mission** is to aid men in their mental, moral and social development for life.

The **TKE Purpose** is to contribute to the advancement of society through the personal growth of our members, and service to others.
